

EDUCATIONAL VALUES OF THE HILLEL JUC

The staff of the Hillel JUC are committed educators who will endeavor to enrich Jewish students' lives on campus with a connection to Judaism in a way that is both relevant and content-rich. Every experience under the Hillel JUC umbrella is considered an opportunity for learning and meaningful engagement with Judaism: its core texts and values, the cycle of the Jewish year, Israel, cultural traditions, the Hebrew language, and global Jewish peoplehood.
